Subject: Opportunity to Meet with International Guests

Hi everyone,

Hope this note finds you very well. I would like to make you aware of some international guests that will visit FGCU this and next week in case you would like to meet with them.

1. You may recall the two Italian scholars, Francesca Spigarelli (University of Macerata, with which we signed a memorandum of understanding for faculty and student exchanges last year) and Attilio Mucelli (Polytechnic University of Marche), who visited us in the spring 2012 semester. Both are back since the beginning of this week and will stay until the end of next week (March 1). They keep an office on the third floor (corner office right by Kay Wingert's desk) and have another colleague with them until the end of this week, Alessio Cavicchi (Universita Degli Studi Di Macerata). I know that some of you have already run into them but if you have not met them yet, please feel free to say hello to make Francesca, Attilio and Alessio feel welcome. Francesca and Attilio also brought their little son, Alessandro, who is attending the family resource center on campus.

2. Tomorrow (Thursday, Feb. 21) I have a guest speaker from Brazil come in, Marcelo K. Daciw, who will talk about doing business in the emerging market of Brazil in my two international business classes (2-3:15pm and 3:30-4:45pm in Lutgert Hall 1204). Our visiting Italian scholars will also speak briefly in both classes about Italy exchange opportunities. Please feel free to come by and join either class if you are interested in the topics or would like to meet with the guest speakers. We are also planning to go for a drink after class, between 5-6pm at Bar Louie, so please join us as well if your schedule allows.

3. On Thursday, Feb. 28 I have a guest from Abu Dhabi, Mohammed Al-Saad, come in for a visit until March 1st. Mohammed is an executive at a state-owned petroleum company and is currently getting his DBA degree at Abu Dhabi University, and I am the external member on his dissertation committee. Mohammed is visiting to talk about his dissertation and I am planning to show him the university and surrounding community. In case you would like to meet Mohammed, please let me know as I am currently finalizing his agenda.

Thanks,
Daniel
